Product Returns:

At Flushmate, we are committed to providing high-quality products and excellent service. If you need to return an item, please review our return policy below:

Damaged or Defective Products:

If you receive a damaged or defective product, you may return it within 10 days of the original purchase date for a full refund, minus any shipping charges originally applied to ship the item to you. Return freight is at customer's expense.

Unwanted Products:

If you decide to return a product, Flushmate will accept returns for a full refund provided the item is returned in sellable, unopened condition. Return freight is the customer's responsibility. A Return Authorization Number (RGA#) must be requested prior to returning any item. All returns must include a copy of the packing slip, and the valid RGA# must be clearly marked on the outside of the box.

Return Shipping:

Please note that the customer is responsible for all freight expenses to return material. We recommend using a trackable shipping method to ensure the safe return of the product.

Refund Processing:

Refunds will be processed once the returned item has been received and inspected and determined defective or if returned as non-defective, when the product is verified in sell- able condition. Items returned in non-sellable condition will not be issued a refund and returned to the customer at the customer expense. Refunds will be issued to the original form of payment.
